

# Meeting Mosaic™

MeetingMosaic is an event-centric content aggregator, bringing together material from all over the web and organizing it. Speaker presentations, educator podcasts, attendee photos, blog posts and even social media like Twitter and Facebook may be added to an event's page.

## Who is Meeting Mosaic for?

- **Speakers:** Upload presentations and slideshows for web viewing. Sell exclusive content and connect with interested non-attendees.
- **Attendees:** Contribute by uploading photos, tweets, and blog posts. Find and connect to others through social media sites like Facebook.
- **Non-Attendees:** Participate in the event through blogs and purchase exclusive event content.
- **Educators:** Keep the conversation going. Continue to connect after the event through the web.
- **Meeting Planers:** Capture Speaker/ Attendee content in one place.
