

## PaperLess Events™

Print, email and download with PaperLess Events.

### Email Documents & Presentations

Because the PaperLess Events kiosk features fast internet, sending documents to clients and co-workers is a breeze!

### Sync with your USB drive

Your documents are of the highest importance and backing them up is critical. The PaperLess Events kiosk allows you to save to your USB flash drive, instantly giving you the security and portability you demand.

### View & Print Documents Using Less Paper

Using the PaperLess Events kiosk you can easily view, manage, and print your event documents. The PaperLess Events kiosk makes file management simple.

**PaperLess Events is the GREEN way to manage and distribute presentations for your events!**
